Dear Dr. Martinez Ortiz:

At its session on March 15, 2018, the Middle States Commission on Higher Education acted:

To accept the Supplemental Information Report. To request a Supplemental Information report, due August 1, 2018, regarding the status of the institution. A small team visit may follow submission of the report. The next evaluation visit is scheduled for 2022-2023.

For more information on submitting a follow-up report, please see Commission guidelines *Follow-up Reports and Visits*. The institution is obligated to make a full and honest disclosure in its reports.

Enclosed is a copy of the institution's Statement of Accreditation Status (SAS) for your review. If any of the factual information is incorrect, please contact the Commission as soon as possible.

In accordance with Commission policy, the accreditation status of the institution must be accurately represented. Please ensure that published references to your institution's candidate status or accredited status (catalog, other publications, web page) are accurate and include the full name, address, and telephone number of the accrediting agency, and the effective date (month and year) when status was granted. Candidate for Accreditation is a status with the Commission that indicates that an institution has achieved membership and is progressing toward, but is not assured of, accreditation.

Please be assured of the continuing interest of the Middle States Commission on Higher Education in the well-being of Inter American University of Puerto Rico Fajardo. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Hilda M. Colon Plumey, Vice President.

Sincerely,

Gary L. Wirt, Ed.D.
