EPP – Bachelors 2021 Candidate Competency for Success and Completion Graduation Requirements

Students will graduate in agreement with the requirements of their program of studies and the regulations established in the General Catalog of the University under which they were admitted or in any single subsequent catalog but no combination thereof. If a required course of the selected catalog is no longer offered by the University, substitutions may be made with the approval of the Department Chairperson. Courses required in more than one program may be credited as such in each program. Courses taken after graduation will not alter the graduation grade point index.

Graduates must meet the current laws and regulations of their profession. Graduation Requirements of the Teacher Education Program- 2021 General Catalog, Page 224 adminajax.php (inter.edu), Every student that is a candidate for graduation from any of the majors of the Teacher Education Programs, who have been admitted or readmitted since August of 2009, must:

1. Have obtained a minimum general academic grade point average of 3.00.
