Full Time-Faculty Profile

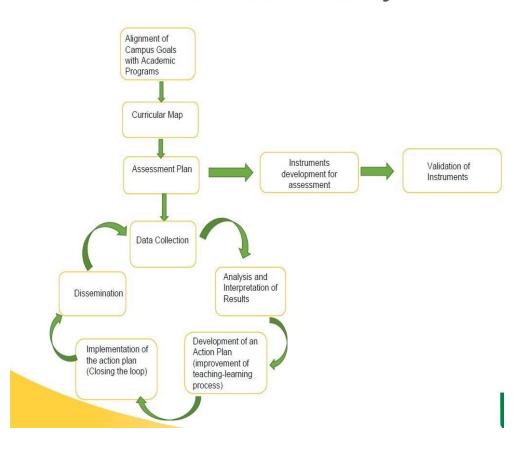

Assessment

Each of the Fajardo Campus academic programs has an assessment plan which is revised annually based on the results obtained. This plan is properly aligned with the programs and campus objectives, so that the alumni can obtain the necessary skills and abilities to perform their profession. In addition, the service offices (institutional assessment) are included as an important part of the students' academic success.

FC's Assessment Cycle

FC's Assessment Cycle

Students Performance

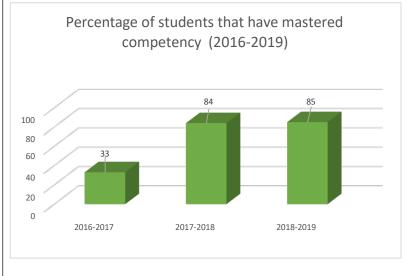

Student Learning Outcome (SLO): Produce documents with speed and accuracy that will permit them to perform effectively in different offices.
